

**Drawing Mountains**

Michael Margolis

Cmaj7      Dm7                  Em7    A7  
 I used to draw mountains when I was a child  
 Dm          G7                      Em7b5    A7  
 I lived in the flatlands where you can't see a mile  
 Dm7                  Fm7                  Em7    A7  
 But I dreamed of the highlands and what'ya know  
 Dm7                  G7                  C          G7  
 The mountains drew me to New Mexico

C                  Dm7      Em7                  A7  
 Dreams gave me visions of what I would do  
 Dm7                  G7                  Em7b5                  A7  
 And helped with decisions to make them come true  
 Dm7                  Fm7      Em7                  A7  
 When it came to location I just hit the road  
 Dm7                  G7                  C          G7  
 And followed my heart to New Mexico

Instrumental: Fm7 B7 Em7 A7 Dm7 G7 C C7  
                   Fm7 B7 Em7 A7 Dm7 G7 C G7

C                  Dm7                  Em7                  A7  
 The Land of Enchantment is a name that rings true  
 Dm7                  G7                  Em7b5 A7  
 'Cause feeling the magic's so easy to do  
 Dm7                  Fm7                  Em7                  A7  
 With the Sangre de Christos and the great Rio Grande  
 Dm7 G7          C          G7  
 It's truly a beautiful land

Instrumental: Fm7 B7 Em7 A7 Dm7 G7 C C7  
                   Fm7 B7 Em7 A7 Dm7 G7 C G7

C                  Dm7      Em7                  A7  
 Dreams gave me visions of what I would do  
 Dm7                  G7                  Em7b5                  A7  
 And helped with decisions to make them come true  
 Dm7                  Fm7      Em7                  A7  
 When it came to location I just hit the road  
 Dm7                  G7                  Em7                  A7  
 And followed my heart    Followed my art  
 Dm7                  G7                  C          G7  
 To make a new start New Mexico
