          F                                  Db7          D7
I've got a song to sing for you   If you're feelin kinda blue
          G7                                                  C7                Db7  C7
And you're feelin down    Cause you can't keep up with the bills   and the Joneses
          F                                  Db7              D7
But there's some things you can do   That will help you make it through
          G7                                 C7            Db7  C7
Cause it's not 'To be or not to be',  It's how to be  in harmony

F                  Db7              D7
Meditate more,   medicate less
G7          C7          F
Exercise,  socialize,  eliminate stress
        Db7  C7
To be  more happy

F
Sing alot,  dance alot,  play alot,   smile
Db7                        D7
Do fun things that make life worthwhile
      G7                          C7
Like being with friends   or making amends
F                          Db7  C7
Helping the world to be  more happy
```

Interlude

```
    F                  Db7         D7
So eat good food   mind your mood
G7                C7                F              Db7              C7
Choose your beliefs   and your attitudes   or they'll choose you
```

```
    F                   Db7              D7
So  meditate more,  medicate less
