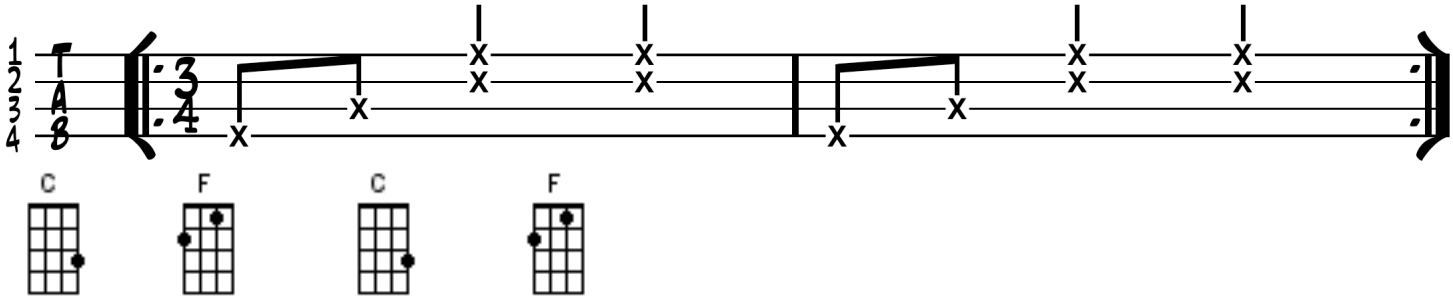
RAINBOW CONNECTION
PAUL WILLIAMS AND KENNY ASHER



(INTRO)

C Am Dm G7

Why are there so many songs about rainbows, and
what's on the other side?
Rainbows are visions, but only il- lusions, and
rainbows have nothing to hide.

F F F F

So we've been told and some choose to be-lieve it,

Em Em Em Em

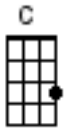
I know they're wrong, wait and see.

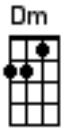
Dm G7 Em A7

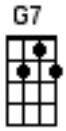
Some day we'll find it, the rainbow con- nection,

Dm G7 C F C F

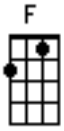
The lovers, the dreamers, and me. *(INTRO)*

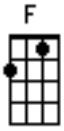


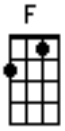




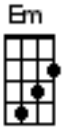
Who said that every wish would be heard and answered when
wished on the morning star
Somebody thought of that and someone be- lieved it, and
look what it's done so far.

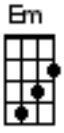


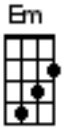


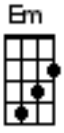


What's so a- mazing that keeps us star-gazing

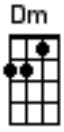


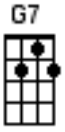


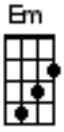


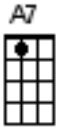


And what do we think we might see?

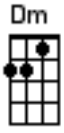


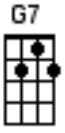


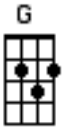




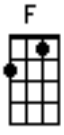
Someday we'll find it, the rainbow con-nection,

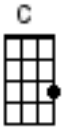


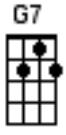




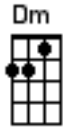
The lovers, the dreamers, and me. ……..All of us

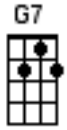




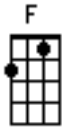


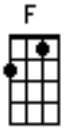
under its spell, we know that it's probably ma- gic!

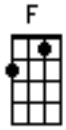


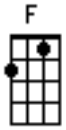


Have you been half asleep? And have you heard voices?
I've heard them calling my name.
Is this the sweet sound that calls the young sailors? The
voice might be one in the same.

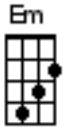


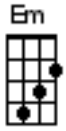


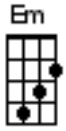


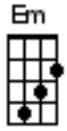


I've heard it too many times to ig- nore it,

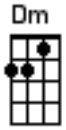


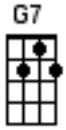


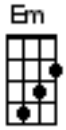


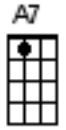


It's something that I'm supposed to be.

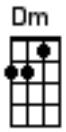


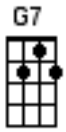


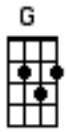




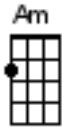
Someday we'll find it, the rainbow con-nection,

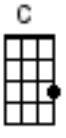


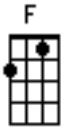


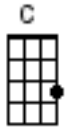


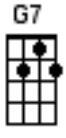
The lovers, the dreamers, and me. ……..La da da

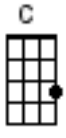












la da da dada da da dum di de de…ooooo
