

Welcome Song

Michael Margolis

Key of C

C
I welcome you completely I hope we will be friends
C G
Maybe we will help each other grow
C Dm
I wonder what you'll teach me I'm sure there's something there
C G
For me to learn from you I hope that we will share

F C
The love we share will lead the way
F G
With joy and enthusiasm work can be like play
F C
And we love to play and we love to sing
F C
When we enjoy the day we can do anything

C Dm
We're all in this together We all deserve a shot
C G
Let's celebrate our differences and make the most of what we've got
C Dm
Life is like a puzzle it takes us all to do
C G
the more we know each other the more we see it through

F C
The love we share will lead the way
F G
With joy and enthusiasm work can be like play
F C
And we love to play and we love to sing
F C
When we enjoy the day we can do anything x3
