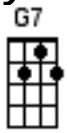
MELE KALIKIMAKA

R. Alex Anderson arr Swedberg 2023

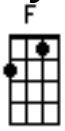
Mele Kalikimaka is the thing to say



on a bright Hawaiian Christmas Day

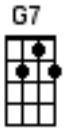
That's the island greeting that we send to you

from the land where palm trees sway



(X Stop)

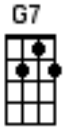
Here we know that Christmas will be green and bright,

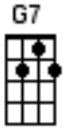


the sun to shine by day and all the stars at night

(Intro start here)

Mele Kalikimaka is Hawaii's way to





say Merry Christmas to you (Turn around: C A7 D7 G7)
