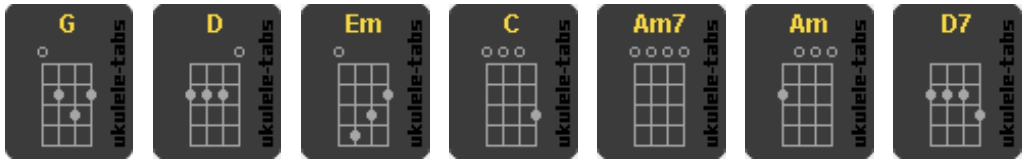
UKE TAB BY *WILLIE NELSON*



```
G                D
Maybe I didn't love you
Em      G          C          D
Quite as often as I could have
G                   D
And maybe I didn't treat you
Em       G          Am7
Quite as good as I should have
C                   G
If I made you feel second best
C          G             Am
Girl, I'm sorry I was blind
D        Em      D7     G      Am
But you were always on my mind
C       D7         G      C      D
You were always on my mind
G                D
Maybe I didn't hold you
Em      G        C          D
All those lonely, lonely times
G                   D
And I guess I never told you
```

```
Em       G          Am7
I'm so happy that you're mine
C                   G
Little things I should have said and done
C         G           Am
I just never took the time
D            Em     D7    G     Am
You were always on my mind
C             D7      G   C   D
You were always on my mind
G     D  Em    G
Tell       me
C             G               Am    C    D7
Tell me that your sweet love hasn't died
G     D Em
Give     me
G           C          G             Am
Give me one more chance to keep you satisfied

I'll keep you satisfied
