

DDD DUU U DUU

EVERYBODY BE YOSELF / KEB MO

VUUU DUU

C G
 Now, you go downtown, to show your face around You got nothin' that you want to hide
 C
 You want to make a friend, just again and again You want to wake up feelin' satis-fied
 G
 If you take it to heart, you'll make it from the start You'll never have to wonder why
 C
 'Cause life is bright, when you look at it right And that's something that you can't de-ny

CHORUS:

NO STR

F C G C
 Everybody's got to live, everybody's got to die Everybody's got a right.... to feel good in-side
 F C
 Everybody's got a high, everybody's got a low
 G C
 Everybody got to be yoself, no matter where you go

G
 Now if you trust yoself, but nobody else Tell me where you gonna go
 C
 Oh you might as well stay all night and day At home with your rad-io
 G
 Now you can take it or leave, but if you don't believe it It's oh very plain to see
 C
 That your sister and your brother, no matter what the color Are one big fam-ily

CHORUS:

F C G C
 Everybody's got to live, everybody's got to die Everybody's got a right.... to feel good in-side
 F C
 Everybody's got a high, everybody's got a low
 G C
 Everybody got to be yoself no matter where you go

F C G C
 Everybody's got to live, everybody's got to die Everybody's got a right.... to feel good in-side
 F C
 Everybody's got a high, everybody's got a low
 G C
 Everybody got to be yoself no matter where you go

G

Now if you're lookin' here and you're lookin' there And you don't know where you're gonna fit in

C

Oh you never will, and you won't until You see us all the same with-in

G

You get the run around, 'til you're lost and found But don't be taken by sur-prise

C

It ain't the color of your hair or the clothes you wear That put a smile in your neighbor's eye

CHORUS:

F C G C

Everybody's got to live, everybody's got to die Everybody's got a right.... to feel good in-side

F C

Everybody's got a high, everybody's got a low

G C

Everybody got to be yourself no matter where you go

F C G C

Everybody's got a will, everybody's got a way Everybody got to **list-en** to what everybody say

F C G C

Everybody got a night-time, everybody got a day Everybody's got to give.... a little love away

F C

Everybody's got to stand up if you're gonna be free

G C

Everybody got to know how to live in harmo-ny

F C

My my my my my my, woe woe woe woe woe

G C

Everybody got to reap... what everybody sow

F C

Na na na na na na, yeah yeah yeah yeah yeah

G /// C

Oh oh oh oh oh oh

F C

My my my my my my, woe woe woe woe woe

G C

Everybody got to be yo-self, no matter where you go
