VERSE      G                      Dm                      C                      G

1.                      Just yesterday                      morning they let me know you were gone

2. Won't you look down upon me,                      Jesus you got to help me make a stand

3. I've been walking my mind to an                      easy time, my back turned towards the sun

                    G                      D                      { F                      F\* }

1.                      Suzanne, the                      plans they made put an end to you

2.                      You just got to                      see me through a- nother day

3.                      Lord knows when the                      cold wind blows it'll turn your head around

                    G                      Dm                      C                      G

1.                      I walked out this                      morning and I wrote down this song

2.                      My body's                      aching and my time is at hand

3. Well, there's hours of time on the                      telephone line to talk about things to come

                    G                      D                      { F                      F\* }

1.                      I just can't re-                      member who to send it to

2.                      I won't                      make it any other way

3.                      Sweet dreams and                      flying machines in pieces on the ground

{ Dd Dd - U ud - dudu }

CHORUS      C                      [ Am -                      D ]                      { G                      [ Gsus2 - G ] }

                    I've seen                      fire and I've seen rain

I've seen sunny days that I thought would never end

I've seen lonely times when I could not find a friend

                    F                      Dm                      { Gsus2 Gsus2 } INTERLUDE { G7sus2 G7sus2 }

But I always thought that I'd see you a-gain
